INSTRUCTIONS:

Please answer the following 30 questions. The questions deal with your PREFERENCES (what you like) and you are requested to rank your preferences from the options listed after every question.

Number your preferences for every question as follows:

1st click – Strongest preference

2nd click – Second preference

3rd click – Third preference

REMEMBER - There are no correct or incorrect answers.

Please click on the 'continue' button to proceed.

I have read and understand the instructions

 If at any time during this process, you lose your connection with our server, please log on again with your same code and email address as before, and you will be able to continue with the questionnaire.

- After reading and understanding the instructions please tick the box
- Continue.
- Complete the first part of the questionnaire by following the above instructions
- After completing the 30 questions, the screen on the next page appears:

Thank you for completing the questions. We are confident that you will find your profile useful.

You may now continue with the 2nd part of the questionnaire.
If you cannot complete it now, you have to use your e-mail address and the same code you received to log in.

INSTRUCTIONS:

You will be presented with 16 screens. Each screen contains 4 sections with two options each. You will have to choose one of the options at each of the four sections per screen. You have to select from the 2 options the one you think is most appropriate and click on it.

All you need to do now is repeat the procedure for each section until you have completed the 16 screens.

PLEASE REMEMBER - There are no correct or incorrect answers, only answers which reflect your preferences.

Please click on the 'continue' button to proceed.
